

Boost your sales potential

Inspire your customers with the versatility of WireFree solutions powered by Somfy. This technology offers unlimited scope and power to automate an extensive range of blinds, curtains and window types.

Elevate your customer's experience

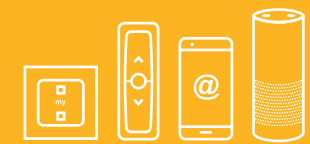

Empower natural light control at the touch of a button. Users can set different moods, ambiances or protect their privacy with ease. Motorisation means no hanging cords, so you're secure in specifying a child-friendly and pet-safe setting that includes peace and comfort. And with improved sound quality, customers enjoy quiet, and discreet technology.

Drive your business with connected solutions

Innovative benefits come with the WireFree range to make life easy. Users can control their blinds and curtains however they want, even from anywhere in the world. Integrated smart home control and simple voice control create even more opportunities. Make their life easy with the Connexoon Window RTS app, and offer hands-free with simple voice-control.

YOUR CUSTOMERS CAN CHOOSE THE BEST CONTROL DEVICE FOR THEIR NEEDS

- **Wall switch:** Smooove RTS
- **Remote control:** Telis RTS, Situo RTS
- **App control:** Connexoon Window RTS
- **Voice control:** Compatible with Amazon Alexa and Google Assistant via IFTTT.

The Connexoon Window RTS app allows easy control of Somfy products with a smartphone, whether at home or away.

COMPATIBLE WITH OTHER SOMFY PRODUCTS AND SMART HOME BRANDS

Open up even more opportunities for your business.

About Somfy

Somfy's leading smart management solutions for homes and buildings have been improving people's daily lives for over 50 years. Developed with comfort, ease of use, security and sustainability in mind, our innovations automate and connect curtains, blinds, roller shutters, awnings and more. We are committed to creating useful solutions that are accessible to all, designed for today and beyond.
